## 400 Series:

Freestanding Over-The-Rim

Model: PRE4096MPKG

Only available with shutoffs valves.

Note: Because of the height at the foot of the tub, this tub requires our M Series freestanding floor riser tubes to meet code requirements.

Overall height of tubes are 37.5" / exposed height 33.5"

For large image of product, see page 42 and 534

## 800 Series:

Freestanding Over-The-Rim

Model: PRE8096MPKG

Only available with shutoffs valves.

Note: Because of the height at the foot of the tub, this tub requires our M Series freestanding floor riser tubes to meet code requirements.

Overall height of tubes are 37.5" / exposed height 33.5"

For large image of product, see page 40 and 53.
